On the Subject of Spiderman 2004s

Spider-Man 2 is a 2004 action-adventure video game, based on the film of the same name. Published by Activision, the console versions were developed by Treyarch, while the others had different developers and are drastically different as a result. The game is the sequel to Spider-Man (2002), itself based on the film of the same name. The Treyarch-developed versions are considered a landmark title in the industry for being the first superhero video game to incorporate a full open world design.

- •
- Spiderman 2004 is a module in where the Spiderman 2 game from 2004 has taken over the background. To disarm Spiderman 2004, press Spiderman 2004's button 2004 times, which happens to be the year that Spiderman 2004 came out.
